LI ISO 27001
RM ISO 27005

Declaration of conformity

Conformity assessment of a trust service in accordance with the eIDAS EU Regulation¹

Next full audit before 31st of May 2019

Hereby determines in accordance with
Article 20 para. 1 of the eIDAS EU Regulation¹ the conformity of the
trust service provider

EVROTRUST TECHNOLOGIES JSC

The conformity has been assessed for the following services provided by the trust service provider in accordance with eIDAS EU Regulation¹:

- **Creation of Qualified Certificates for Electronic Signatures**
- **Creation of Qualified Certificates for Electronic Seals**
- **Creation of Qualified Electronic Time Stamps**

This conformity assessment has been registered under LSTI SAS N°1622_37_V1

SAINT-MALO, 15.06.2017

Armelle TROTIN
Head of the Certification Body

LSTI SAS has been accredited pursuant to the accreditation certificate of French Accreditation Body COFRAC with registration number 5-0546 in accordance with EN ISO/IEC 17065:2013 as a certification body for products, processes, and services in accordance with the Annex of the accreditation certificate and in accordance with the eIDAS EU Regulation and the ETSI European Norms.

¹ Regulation (EU) No. 910/2014 of the European Parliament and of the Council of 23 July 2014 on electronic identification and trust services for electronic transactions in the internal market and repealing Directive 1999/93/EC

Description of the trust services:

1 Trust service provider and Trust Services

EVROTRUST TECHNOLOGIES JSC

2 Nikolai Haitov str., entr..D, fl.2

1113, Sofia - Bulgaria

EVROTRUST TECHNOLOGIES JSC is a trust service provider² according to the eIDAS EU Regulation Art. 3 No. 19. In order to achieve or to maintain the status of a "Qualified Trust Service Provider" in accordance with the eIDAS EU Regulation Art. 3 No. 20, the TSP has to ensure that a conformity assessment is carried out.

EVROTRUST TECHNOLOGIES JSC provides the following services, which have been defined in the eIDAS EU Regulation Art. 3 No. 16, the conformity of which has been assessed with the present report:

- **Creation of Qualified Certificates for Electronic Signatures**
- **Creation of Qualified Certificates for Electronic Seals**
- **Creation of Qualified Electronic Time Stamps**

in accordance with the eIDAS EU Regulation Art. 3 No. 16.

2 Audit organization

Stage 1 audit

Audit of the documents of Evrotrust Technologies Jsc. The audit has been carried out from 19/04/2017 to 21/04/2017 on the TSP site by Lead Auditor Prof. George Stefanov and Auditor Mr. Nikolay Baychev.

Stage 2 audit

Audit of the correct implementation of the TSP operations during the onsite inspection at the Evrotrust's locations. This audit has been carried out from 26/05/2017 to 30/05/2017 by the Audit team (Lead Auditor Prof. George Stefanov, Ph.D.; Auditors: Dipl. Eng. Nikolay Baychev, M.Sc. and Vihra-Alexandra Dancheva, LL.M., Auditors in training: Vesela Trakiyska, M.Sc. and Dipl. Eng. Peter Stefanov, M.Sc, LL.M.) accompanied on the part of the TSP - Evrotrust by:

Konstantin Bezuhanov – CEO (Chief Executive Officer)

George Dimitrov – CEO (Chief Executive Officer)

Stefan Hadjistoytchev – CTO (Chief Technical Officer) and ISMS Management Representative

Martin Petkov – AISN Administrator and AISN Security Officer

Ivan Blagoev – Security and cryptographic administrator

² Hereinafter referred to as: TSP

Iliyan Iliev – System Administrator and System Operator

Gergana Petrova – Registrar Requests – Customer Service Operator

Galina Andonova – Registrar Clerk - Customer Service Operator

Anelia Antonova – Chief Accountant

Mihaelena Damianova – Administrative Manager and Business Development Manager

The following public documents of the TSP have been the subject-matter of the audit:

- [CPS] Certification Practice Statement for Qualified Certification Services - Version 2.1 - 13/04/2017
- [CP] Certificate Policy for Qualified Certification Services for Advanced Electronic Signature/Seal -Version 2.1 - 13/04/2017
- [CP] Certificate Policy for Qualified Certification Services for Qualified Electronic Signature/Seal -Version 2.1 - 13/04/2017
- [CP] Certificate Policy for Qualified Certification Services for Website Authentication - Version 1.0 -13/04/2017
- [CP] Qualified Validation Policy - Version 1.0 - 13/04/2017
- [TSA CPS/CP] Timestamp Certification Authority Policy - Version 2.0 - 13/04/2017
- [PKIDS] PKI Disclosure Statement - Version 2.1 - 13/04/2017
- [GTC] General Terms and Conditions for Certification, Information, Cryptographic and Consultancy Services - Version 1.0 - 13/04/2017
- [SA] Contract for Use of Services Accessible Through the Application of Evrotrust Technologies Jsc -Version 2.1 - 13/04/2017
- [SA] Signatory Agreement - Version 2.0 - 13/04/2017

3 Fulfilment of the requirements of the eIDAS EU Regulation

This conformity assessment report only reflects the fulfilment of the requirements laid down in the eIDAS EU Regulation. It must be considered as an additional part to the detailed audit reports which indicate the fulfilment of the requirements laid down in the ETSI European Norms.

The fulfilment of the requirements laid down in the **eIDAS EU Regulation and in the ETSI European Norms** has been verified by auditing the corresponding documents of the TSP and by auditing the correct implementation during the onsite inspection at the TSP location.

3.1 Certification scheme

Q055: Certification rules for Trust Service Providers V5.1

Relevant standards used are:

EN 319 403: *Electronic Signatures and infrastructures (ESI) - Trust Service Providers conformity assessment - Requirements for conformity assessment bodies assessing Trust Service Providers*

EN 319 401: *Electronic Signatures and Infrastructures (ESI) - Policy requirements for trust service providers*

EN 319 411-1: *Electronic signatures and infrastructures (ESI) - Policy and security requirements applicable to trust service providers issuing certificates - Part 1: General requirements*

EN 319 411-2 V2.1.1: *Electronic Signatures and Infrastructures (ESI); Policy and security requirements for Trust Service Providers issuing certificates; Part 2: Requirements for trust service providers issuing EU qualified certificates*

EN 319 421: *Electronic Signatures and Infrastructures (ESI) - Security and policy requirements for trust service providers issuing stamps*

3.2 General requirements for the trust service provider

The TSP has provided evidence of conformity with regard to the following requirements for trust services laid down in the eIDAS EU Regulation.

3.2.1 Data processing and protection

Article 5.1	
Processing of personal data shall be carried out in accordance with Directive 95/46/EC.	
Conformity	Compliant
Requirements	<input checked="" type="checkbox"/> ETSI EN <input type="checkbox"/> National requirements <input type="checkbox"/> Others
ETSI EN standard	
Clauses	EN_319_401 Clause 7.13 c) and Note
Statement	<input checked="" type="checkbox"/> Compliant <input type="checkbox"/> Minor nonconformity <input type="checkbox"/> Major nonconformity <input type="checkbox"/> Not applicable <input type="checkbox"/> Not assessed
National requirements	
xxx	
Statement	<input type="checkbox"/> compliant <input type="checkbox"/> Not compliant <input type="checkbox"/> Not applicable <input type="checkbox"/> Not assessed

3.2.2 Provisions on liabilities

3.2.2.1 Art.13.1

TSP liable for damage caused intentionally or negligently to any natural or legal person due to a failure to comply with the obligations under this Regulation

(a) Burden of proving intention/negligence of non-qualified TSP is on claiming party.

(b) Intention or negligence of a QTSP shall be presumed, unless proven otherwise by QTSP.

Article 13.2	
When TSP informed customer in advance on limitations on the use of their services, & when such limitations are recognisable to third parties, TSP not liable when limitations have been exceeded.	
Conformity	Compliant
Not compliant	
Requirements	<input checked="" type="checkbox"/> ETSI EN <input type="checkbox"/> National requirements <input type="checkbox"/> Others
ETSI EN standard

4 Certification of qualified electronic signature creation devices

4.1.1 Art.30

1. *Conformity of qualified electronic signature creation devices with the requirements laid down in Annex II shall be certified by appropriate public or private bodies designated by Member States. EN 28.8.2014 Official Journal of the European Union L 257/101*

2. *Member States shall notify to the Commission the names and addresses of the public or private body referred to in paragraph 1. The Commission shall make that information available to Member States.*

3. *The certification referred to in paragraph 1 shall be based on one of the following:*

(a) *a security evaluation process carried out in accordance with one of the standards for the security assessment of information technology products included in the list established in accordance with the second subparagraph; or*

(b) *a process other than the process referred to in point (a), provided that it uses comparable security levels and provided that the public or private body referred to in paragraph 1 notifies that process to the Commission. That process may be used only in the absence of standards referred to in point (a) or when a security evaluation process referred to in point (a) is ongoing.*

5 Requirements fulfilled as laid down in the ETSI European Norms

The fulfilment of the requirements for the trust service laid down in ETSI EN 319 401 and ETSI EN 319 411-2/421 has been verified within the framework of the audits stage 2 EVROTRUST TECHNOLOGIES JSC. The results are listed in detail in the following separate reports

- Evaluation Report N°1622-37 Initial Certification – ETSI EN 319 411-1, dated 30.05.2017
 - Evaluation Report N°1622-37- Initial Certification – ETSI EN 319 411-2, dated 30.05.2017
 - Evaluation Report N°1622-37- Initial Certification – ETSI EN 319 421, dated 30.05.2017

7 Next evaluation

Full audit is to be carried out before 31 May 2019.

8 Final summary

a) Technical application environment

A trust service provider may entrust third parties with the fulfilment of parts of its processes. The overall responsibility for the fulfilment of the requirements laid down in eIDAS EU Regulation and the ETSI European Norms will remain by the **Erreur ! Nous n'avons pas trouvé la source du renvoi.** A third party contracted by the **Erreur ! Nous n'avons pas trouvé la source du renvoi.** may provide its service as a module with a conformity assessment carried out by a conformity assessment body.

Evrotrust Technologies JSC provides a trust service for the creation of qualified certificates for electronic signatures with the functions identification, registration, key generation, certificate issuance, and a certificate status service with revocation service. The trust service is performed by employees, who are trained and authorised for their duties, within a physical, organisational and technical secure environment.

Evrotrust Technologies JSC provides a trust service for the generation of qualified electronic time stamps. The trust service is provided by employees, who are trained and authorised for their duties, within a physical, organisational and technical secure environment.

b) Commissioning

This conformity assessment has to be renewed after security-related changes or due to the validity of the product/modul confirmations referred to, up to 31 May 2019 at the latest.

The operation procedures of the trust service provider were demonstrated to the conformity assessment body within the framework of the conformity assessment in accordance with Article 20 para. 1. The correct implementation of the requirements laid down in the eIDAS EU Regulation was determined. Pursuant to Article 21 para. 2, the trust service provider may only begin with the provision of the qualified trust service after the qualified status has been set out by the S.B. in the trusted list.

c) Operation of the trust service

The following conditions have to be observed during the operation

- In case of any security-related changes and in case of any suspicion of manipulation, which cannot be clarified or remedied by mechanisms provided for such cases or by any additional measures of the trust service provider provided for such cases, a recognised conformity assessment body has to be involved in according to ETSI EN 319 403, chapter 7.10.
- Any exchange or change of the trust service and in the organisation of the processes or the security elements has to be reported to a recognised conformity assessment body in accordance with ETSI EN 319 403, chapter 7.10 and requires a review and an extension of the conformity assessment, if appropriate.
- Any security-related change has to be reported without delay to the national S.B., as the competent authority, in accordance with the eIDAS EU Regulation Art. 24 para. 2a).
